## SPECIAL FEATURES AND FACILITIES

### Faculty

The action force of the college to achieve its objectives is a team of well qualified faculty with enviable background, 08 PhDs and 07 MPhils, and varied experiences. The college has the faculty with excellent credentials working relentlessly to enhance the skills of the students. More than hundred research articles have been published by the faculty in different international and national refereed journals. Many have written valuable books. All are research oriented. Every teacher has got a deep concern for the all-round development of students' personality. They plan and prepare well for their class-room activities and are well trained in using ICT enabled teaching aids. Every teacher tries to ensure transparency and accountability.

### Classrooms

The classrooms are spacious, most of them fitted with LCD projectors, smart boards audio visual systems, computers and glass boards where students go beyond the periphery and are expected to have continuous interaction with the faculty.

### Computer Lab

With continuously upgraded hardware, software and communication facilities, the college is taking the face of general education into the new era. With a broadband internet connection available free of cost, students have access to information instantly. The lab is established to impart practical application of IT knowledge so as to enable students to prepare and face the challenging world. It is well equipped with all the modern ICT enabled teaching aids.

## **Library**

College library is an information resource centre for teaching, learning and research. Being the heart of the academic centre, it is home for all information services. With an aim to provide access to information and knowledge, the library contributes and supports transformation of talent into personality. It plays a provocative role in enabling access to information resources of all kinds providing innovative and effective service to meet the changing needs of the academic community. Digital Library with 13 computers and internet is the special feature of the library. INFLIBNET facility provides 2100 e-journals and 70000 e-books free of cost. It has got more than 50,000 books and CD's on all the subjects. News papers, journals, magazines and periodicals published in various languages are readily available for students use.

## **Youth Red Cross Wing**

College has the Youth Red Cross Wing. It creates awareness of health and hygiene among students, and conducts various camps which are helpful for students as well as public.

## **Sports**

Special importance will be given to outstanding sportspersons and facilities will be given to them. Special attention will be given to Athletics, Kabaddi, Wrestling and Volleyball in which our college has made many records. The college gymkhana has 16-station multi-gym. College has its own play ground. The College has well furnished Indoor stadium. Since its inception college has produced many University Blues and national level sports persons.

## **Student Information and Guidance Bureau**

SIGB assists students in getting information and guidance regarding the career opportunities. It guides students for facing the various competitive exams.

## **Alumni Association**

College formed an alumni association. All the students of the final year degree can become the members of the Alumni after the annual exams. The association helps the present students in their studies and to get placement in different fields.

## **Student Parliament**

No elections are conducted in the college. The members of the Student Parliament are nominated on the basis of their previous exam performance and merit. A student from VI Sem will be the General Secretary of the college.

## **NCC**

The enrolment to NCC is open to all the students and it is voluntary. The strength is limited to 104. NCC activities will mainly be confined to implant in students the dignity and participation in national service. The enrolled students have to undergo two years training to get 'B' certificate and three years for 'C' certificate.

## **NSS**

The College has two N S S units. The enrolment to NSS is open to all the students and it is voluntary. The strength is limited to 100/unit. NSS activities will mainly be confined to instill in students the dignity of labour and participation in social service camps. The enrolled students have to undergo two years training to get certificate.

## **Cultural Programmes**

Attention and recognition is given to cultural activities. To promote cultural activities in the college, programmes and competitions like elocution, singing, drama, debates, painting and creative writing are conducted.

## **Remedial Coaching Classes**

Coaching classes are conducted for SC, ST, OBC and minority students. UGC provided assistance once for conducting remedial classes. This helps the slow learners to enhance their learning abilities and to improve their level of understanding.

## **College Miscellany**

College conducts educational tours and field visits every year and felicitates the outstanding meritorious students and faculty.

## **IQAC**

Our college has an effective internal coordination and monitoring mechanism. Internal Quality Assurance Cell (IQAC) of the college is the internal coordination and monitoring body. It prepares Academic Calendar and designs Annual Plan. It determines the activities well in advance and inspects the proper execution of plans, policies and programmes. It evaluates and monitors the quality sustenance mechanism.

## **Socio Language Club**

The forum is meant for imparting extra knowledge of languages to the students by conducting various functions inviting great personalities who worked in the field of language. It creates awareness among the students in creative writing and criticism.

## **Eco Club**

## **Healthy Practices**

1. Felicitations to the students who are centum scorers in individual subjects at the university exams and to the university Blues.
2. Extra books will be provided to the students who score 60% and above and to the SC / ST students.
3. Inter collegiate competitions in academic and extra-curricular activities.
4. Monthly meeting of students.
