Entrepreneurship Cell Organizes One Day

Workshop On

“BECOMING AN ENTREPRENEUR”

Date: 04-02-2022

Venue: College Function Hall

ABOUT THE INSTITUTION:

Sri Padmaraj Vidya Vardhaka Samstha, Sarangamath, Sindagi Dist: Vijayapura, Karnataka State, is a prestigious institution established in 1969 with the blessings of H. H. late Shri Channaveer Swamiji of Sarangamath, Sindagi. Under the guidance of the present chairman H.H. Dr. Prabhu Sarangadev Shivacharyaji, the institution has grown with a modern outlook. The college offers education in Arts, Commerce, and Science over 1200 students.

ABOUT THE ENTREPRENEURSHIP CELL:

The Entrepreneurship Cell aims to reach out to students and provide them with opportunities to explore entrepreneurship. Through various planned activities, the cell ensures that students are well-informed about entrepreneurship and their role in it. Entrepreneurship Cell typically serves as a platform within a college or university to foster an entrepreneurial mindset among students and support their entrepreneurial endeavors. The duties and responsibilities of a Entrepreneurship Cell can vary depending on the institution and its specific goals, but here are some common tasks:

- Organizing Events and Workshops: Entrepreneurship Cells often host events, workshops, seminars, and conferences to educate students about entrepreneurship, startup culture, innovation, and related topics. These events may feature guest speakers, entrepreneurs, investors, and industry experts.
- Networking Opportunities: Facilitating networking opportunities for students with successful entrepreneurs, alumni, investors, and professionals in various industries. This can include organizing networking sessions, mentorship programs, and industry visits.
- Supporting Student Ventures: Providing support and resources to students who want to start their own businesses or projects. This may include access to mentors, funding opportunities, co-working spaces, legal guidance, and other support services.
- Incubation and Acceleration Programs: Running incubation or acceleration programs for student startups, where they receive mentorship, guidance, and resources to develop their business ideas into viable ventures.
- Partnerships and Collaborations: Establishing partnerships with other colleges, universities, industry organizations, and startups to create opportunities for collaboration, knowledge exchange, and joint initiatives.
- Educational Initiatives: Offering courses, elective modules, or certificate programs related to entrepreneurship and innovation. These could cover topics such as business development,

startup management, marketing, finance, and technology commercialization.

- Community Engagement: Engaging with the local community, startup ecosystem, and industry stakeholders to create mutually beneficial relationships and opportunities for students.
- Marketing and Promotion: Promoting the activities and achievements of the Entrepreneurship Cell through various channels, including social media, newsletters, websites, and campus events, to attract participation and support from students, faculty, and external stakeholders.
- Evaluation and Impact Assessment: Monitoring and evaluating the effectiveness of Entrepreneurship Cell programs and initiatives, gathering feedback from participants, and continually improving strategies to better meet the needs of students and the objectives of the institution.
- Overall, the primary goal of a Entrepreneurship Cell is to inspire, educate, and support students in exploring and pursuing entrepreneurial opportunities, fostering innovation, and contributing to the growth of the entrepreneurial ecosystem within and beyond the college campus..

ABOUT THE WORKSHOP

This workshop mainly intends to make you innovative thinker and unbeatable entrepreneur, where challenges transform into opportunities and personal growth flourishes.
