Dear Dr Sindagi,

This is with reference to your email dated 10-1-2023. Yes we will extend your subscription with 6 issues more for Sanctuary Magazine (Reg no. 43183) once we start the hard copy subscription.

We are sending you a regular digital version of Sanctuary Asia at above mentioned email id.

We have not yet started the printed version for Sanctuary Asia and only the digital version is available on our website

Thank you for your email. We too have been working towards printing our issues as we miss them dearly. However, since the beginning of the pandemic in March 2020, we have been facing all the quintessential hurdles that all other organisations have been facing.

Our printers were not operational for many of these past months, and the rise in COVID cases again and the impending second lockdown has forced many of our employees to continue working from their homes. We have still been working to ensure that we continue to present diverse and educational content every month, albeit providing it to you digitally. Please bear with us until we are able to return to printing hard copies.

Your email makes us very happy as it shows us just how much Sanctuary is valued. It demonstrates so clearly the worth of our work for nature over the past four decades and we hope you will stay with us for the rest of our journey.

We would be incredibly happy if you continue to stay on for our digital subscriptions.

Wishing you the warmest regards,

Thank you,

Bhaskar P.
